Burning Ambitions presents
- To Find and not to Yield -

The Akari, a spent force, broken,
driven at last from Lantia. Yet
peace does not sit well upon the
Jewelled Isles.

The Achillean, a title once
honoured amongst the Lions now
stands against us. Implacable,
unstoppable and deadly.

The Lions must meet one more to
devise a means to protect the
people and the land. And so the
call goes out to gather, one and
all, unto a great Parliament
such has not been seen in many
years.

Together we will find a way to
beat this threat; or die in the
attempt
